Sector or sub-sector	Limitations on market access	Limitations on national treatment	Additional commitments
<u>General conditions</u> This Schedule of Specific Commitments was elaborated taking into account the disciplines and principles of the GATS, which recognise, among other elements, the flexibility to adopt specific commitments that are differentiated in terms of sectors and modes of supply. This Schedule of Specific Commitments shall not be interpreted as limitations of domestic regulation or to the introduction of new regulation with a view to achieving national policy objectives, in accordance with the Fourth Paragraph of the Preamble to GATS and the main goals of this agreement. This Schedule of Specific Commitments is elaborated on the basis of a positive list approach and is identified in accordance with the classification list in Document MTN.GNS/W/120 of the WTO and corresponding CPC preliminary version numbers. Where no reference is made for a specific sector or sub-sector, it should be interpreted that Uruguay is not taking any commitments for that specific sector or sub-sector.			
I. HORIZONTAL COMMITMENT			
ALL SECTORS INCLUDED IN THIS SCHEDULE	This schedule of specific commitments shall not be construed as imposing any obligation regarding subsidies or grants provided by Uruguay, including loans,	All modes of supply: Uruguay reserves the right to adopt or maintain any measure that

MARITIME TRANSPORT SERVICES

NOTE TO URUGUAY SCHEDULE

Where road, rail, inland waterways and auxiliary services are not otherwise fully covered in this schedule, a multimodal transport operator shall have the ability to rent or lease trucks, railway carriages or barges, and related equipment, for the purpose of inland forwarding of cargoes, or have access to, and use of, these forms of multimodal activities on reasonable and non-discriminatory terms and conditions for the purpose of carrying out multimodal transport operations. (« Reasonable and non-discriminatory terms and conditions » means, for the purpose of multimodal transport operations, is the ability of the multimodal transport operator to arrange for the conveyance of its merchandise on a timely basis, including priority over other merchandise which has entered the port at a later date).

DEFINITIONS

1. Without prejudice to the scope of activities which may be considered as « cabotage » under the relevant national legislation, this schedule does not include « maritime cabotage services », which are assumed to cover transportation of passengers or goods between a port located in Uruguay and another port located in Uruguay and traffic originating and terminating in the same port located in Uruguay provided that this traffic remains within Uruguay's territorial waters.

2. « Multimodal transport operators » means the person on whose behalf the bill of lading /multimodal transport document, or any other document evidencing a contract of multimodal carriage of goods, is issued and who is responsible for the carriage of goods pursuant to the contract of carriage.

3. « Maritime cargo handling services » means activities exercised by stevedore companies, including terminal operators, but not including the direct activities of dockers, when this workforce is organised independently of the stevedoring or terminal operator companies. The activities covered include the organisation and supervision of:

- the loading/discharging of cargo to/from a ship;
- the lashing/unlashing of cargo;
- the reception/delivery and safekeeping of cargoes before shipment or after discharge.

4. « Container station and depot services » means activities consisting in storing containers, whether in port areas or inland, with a view to their stuffing/stripping, repairing and making them available for shipments.

5. « Maritime agency services » means activities consisting in representing, within a given geographic area, as an agent the business interests of one or more shipping lines or shipping companies, for the following purposes:

- marketing and sales of maritime transport and related services, from quotation to invoicing, and issuance of bills of lading on behalf of the companies, acquisition and resale of the necessary related services, preparation of documentation, and provision of business information;

- acting on behalf of the companies organising the call of the ship or taking over cargoes when required.

6. « Freight forwarding services » means (the activity consisting of organising and monitoring shipment operations on behalf of shippers, through the acquisition of transport and related services, preparation of documentation and provision of business information.
